

Rourke receives beautification award

Terrie Rourke received the Home Landscape Beautification Award from The Gardeners of America/Men's Garden Club. This national award was announced during their national convention held recently in Santa Rosa, Calif. The award recognizes an individual TGOA/MGCA member for his efforts in contributing to the quality of the local community and our national environmental beauty. Only one of these national awards is given annually. Rourke is a member of the Spartanburg Men's Garden Club.
