

GARDENING & BEAUTIFICATION

January 15, 1992

Meeting : Monday, January 20, 1992 7:30 p.m.
Advent and Kennedy Streets
Topic : What's New In Gardening, 1992
Speaker : Joe Maple

Come and bring your gardening plans for 1992. There will be a question and answer session too!

Tree Distribution '91-'92 Dormant Season — The up-front results to mid January are sales of about 1800 trees. Selling will continue to mid-March with Crape Myrtles and white dogwoods being the greater inventory. The club is again indebted to Harold Hatcher for leading the tree bank operation which produces these trees. *There is an ongoing need for member volunteers to participate in this work.* It is both good therapy and a horticulture learning experience. We salute members Winston Hardegree, Tom Prince, Ben DeLuca, Harold Browning for their help with tree bank work. Helpers at the sales end have been Walter Soderberg, Joe Maple, Tom Bartram, Jack Turner, Jess Taylor, and John Nevison. A work schedule — sign up chart is proposed for the 820 Reidville Rd. work center. We want to acknowledge all participants.

Observation Deck at Hatcher Gardens — A contract has been signed with "Arch A Deck" to build an approximately 20" x 24' observation deck overlooking a bank, pond and waterfall in Hatcher Horticulture Gardens. This is a joint venture shared by the Women's Garden Club Council, our club and the Spartanburg County Foundation. Our Jess Taylor is the project manager. While the deck construction progresses as weather permits January and February, a dedication program is anticipated in April.

1992 Dues, Last Call — Our treasurer, Jess Taylor, reports about 90% of our membership are paid as this goes to press. He also calls attention to and thanks our three out of town members for their continued participation. We would appreciate any comments they might offer for inclusion in this bulletin. They are:

Emmett McArthur, 321 West Buell Drive, Fort Myers, FL 33905;
Charles Frost, RR2, Box 136, Center Rutland, VT 05736-9703;
Harold Fredrickson, 12 Fischer Dr. Apt. 3C, N. Kingston, RI 02952

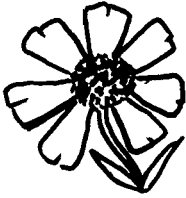

Special Landscaping Funds are gratefully acknowledged.

1) Cable Vision made a contribution toward tree plantings at County schools, which have been accomplished.

2) A tourism grant has been received toward tree plantings at the interchange I-85 and U.S. 221. Henry Pittman and Tom Bartram are laying out a planting plan.

3) The W. O. Ezell fund has contributed to the cost of the clubs bedding plant program involving about twenty flower beds throughout the city.

Two Landscaping Opportunities under consideration are at the old Blue Cross-Blue Shield building and at the city owned parking lot by the Spice of Life Restaurant.

GARDENING & BEAUTIFICATION

February 12, 1992

Meeting : Monday, February 17, 1992 7:30 p.m.
Advent and Kennedy Streets

Subject : Lillies

Speaker : Edmond Taylor, of our local
Clemson Extension Office

If you have lilies or should like some, come out and learn about their best care. We have propagators in our club and we also have members with beds that need to be thinned.

Observation Deck at Hatcher Horticulture Gardens. The approximate 20'x24' deck at Hatcher Gardens has been completed and a preservative coating applied. Your club, the Ladies' Garden Council and the Spartanburg Foundation have covered its cost; our Treasurer, Jess Taylor has been the project leader and designer working with the builders "ARCHADECK." The dedication ceremony date, planned for April, will be advised in a following bulletin.

Spartanburg Tree Inventory Our club has worked with the city in completing a street tree inventory. This program was underwritten by a Federal grant. Jack Turner and several of his USCS students were key workers in this project. Bob Powell, Gibbes Patton, and Tom Bartram assisted. It is hoped that this program will be followed by Federal Grants for street trees.

Tree Bank Operations The city contributed some extensive grading and ditching to greatly improve drainage at the tree bank last Fall. In turn more leaf mold is being distributed and rotatilled into the soil preparing planting of the current lot of dogwoods (white). In a first trip to the State Tree Bank at Salem, S.C., four thousand 2 year old treelets were picked up. Our club is also cooperating with the Spartanburg Board of Realtors in supply of trees for their distribution program. A big **Thank You** to members who are helping Harold Hatcher at the tree bank. Take a turn; you will enjoy it.

Tree Distribution '91-'92 Dormant Season While this distribution essentially ends with the year end holidays, there have been enough follow-up sales in recent weeks to raise the total sales to about 2200 treelets.

A Composting Seminar was held February 4, at the Arts Center. Its main thrust was to get all citizens to do their own composting and thus take the load off landfills, and to benefit local gardens. Many members have been doing this. Be on the alert to encourage others.

A Note of Thanks to American Fiberglass Pipe Division for their supply of pipes we have used over the last two years to provide culverts and/or drainage help at the tree bank.

GARDENING & BEAUTIFICATION

March 11, 1992

Meeting : Monday, March 16, 1992 7:30 p.m.
Advent and Kennedy Streets
Subject : Garden Pests and their Control
Speaker : Charles Gray,
Clemson Extension Agent

Charles Gray is a citizen pillar in the community of Spartanburg. Through his office you can get your soil tested, advice on fertilizing, advice on growing anything from apples to zinnias. Come and hear his talk and bring current gardening experience and questions. Yes, bring an item for the door prize pool.

Tree Bank Operation A second trip to the State's Piedmont nursery at Salem, SC brought to town 5000 more two year old white dogwoods. These help with the Board of Realtors supply and stocking the tree bank. The '91'92 dormant season tree distribution from our tree bank inventory has climbed to about 2800 treelets.

Landscaping Projects All members are invited to suggest projects to benefit the community. Your club has enjoyed a very good year and is interested in carrying out additional projects. One being explored by Gil Hooper and Henry Pittman is landscaping of two Charles Lea Center properties. Another is a counseling office of the local minister's association. Yet another is the city owned parking lot at the Spice of Life Restaurant.

Observation Deck at Hatcher Gardens Jess Taylor is leading a landscaping effort on this new structure. Rhododendrons are in the plan.

Flower Beds John Nevison's committee has visited Settle Greenhouses and spoken for about 60 trays of bedding plants to be distributed to the several flowerbeds about town that we supply. These will be ready about May 1st. White vinca, red salvia and blue ageratum are the three spoken for. Where there may be a preference for others please advise promptly.

Harold Hatcher Receives Space Award During the Spartanburg Conservation Endowment (SPACE) annual meeting, March 5th, featuring Rudy Mancke as speaker, Harold Hatcher was called to the stage to receive the club's appreciation award. This was given in gratitude for the work Harold performed and supervised on the Cottonwood Trail. The one hundred and fifty members and guests responded with a standing ovation. Harold is director emeritus of the Spartanburg Men's Garden Club and a trustee of SPACE.

Coming Events to note on your calendars:

Saturday, April 4th City Wide Litter Pick-Up
Tuesday, April 7th 10:30 a.m. Dedication of Observation Deck
Hatcher Gardens
Saturday, April 11th Another Recycle Day
Saturday, April 25th Picnic, Twin Oaks Shelter, Croft State Park

GARDENING & BEAUTIFICATION

April 15, 1992

ATTENTION MEMBERS:

No meeting this Monday, April 20th. Rather, shape your plans for a **Picnic, Saturday, April 25** at Croft State Park, the Twin Oaks Shelter. Those who wish to do a gentle hike with Bob Powell, be there at 2:00 p.m. The picnic will be at 5:00 p.m. Members will bring their own food, beverages will be supplied by a club committee, Dave Kennemur and Bob Almond.

The park entrance sign is visible on S.C. Route 56. Turn left at the sign onto Dairy Ridge Road, then right into the Park. Twin Oaks Shelter is 2.4 miles into the Park.

Our Blue Ridge Region National Director, Rev. Bancroft Smith of Asheville, plans to join us at this meeting.

Observation Deck at Hatcher Gardens was dedicated April 7th in a 10:30 a.m. ceremony. The deck and its landscaping is a combined effort of the Womens Garden Club Council, The Spartanburg Foundation and our Men's Garden Club. Leah Cheek, Jim Barrett, Mayor Powell, Jess Taylor and our President John Fincher participated. Harold and Josephine Hatcher were commended for creation and donation of the Gardens for the community's enjoyment.

This is a busy time at the tree bank, mainly relocating crape myrtles grown from cuttings to space in the tree bank. For good therapy, fellowship and knowledge spare some time to help. Just call Harold at 576-9482 to let him know when you are available.

We thank Jess Taylor for his summary of the Tree Sales Project this past dormant season. A total of 2,818 trees were distributed.

MGCA National Convention at Fort Wayne, Indiana.

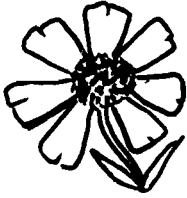

June 12 to 15, 1992

Fort Wayne Marriott is the convention headquarters,
cost \$65.00 per night.

Registration fee is \$150.00

If interested, John Nevison can advise application details.

Committee on Trees has been named by President John Fincher as follows: Jess Taylor, Winston Hardegree, Ben DeLuca, Dick Look, and John Nevison. This committee is to review our course, relieving our Harold Hatcher of the great responsibility he has carried in our tree bank and tree distribution work.

GARDENING & BEAUTIFICATION

May 13, 1992

- Meeting** : **Monday, May 18, 1992 7:30 p.m.**
Advent and Kennedy Streets
- Subject** : **Bonsai Plants**
- Speaker** : **Bob Head,**
Clemson Extension Office,
Seneca, S.C.

Come and learn about this technique for limiting plant size. Bring a friend and an item for the doorprize pool.

We all thank Dr. Bob Powell for hosting our April meeting at Croft State Park Saturday, April 25. He led the walk on the 2 mile nature trail. About 25 members and guests participated in the tour. A picnic supper was held at the Twin Oaks Shelter in the park following the tour. Rev. Bancroft Smith and his wife of Asheville, NC were guests. Rev. Smith is the national Director from our Blue Ridge Region. He spoke of successful membership drives by all of the regional clubs: Spartanburg, Greenwood, Asheville and Knoxville. He encouraged members to try to attend the next National Meeting at Fort Wayne, Indiana, June 12-15, 1992.

Tree Planting at Hearon Circle. This project led by Henry Pittman and Tom Bartram accomplished the planting of 12 white dogwood and 8 sweet gum trees. Eight members participated. Thankfully, a power auger was brought in to help the digging. An important follow-up watering was made by the North Spartanburg Fire Co. We thank them for this chore.

Observation Deck at Hatcher Gardens has greatly pleased all of those who have visited it. There are supplemental actions which have been suggested and are in progress: rebuilding the old bridge crossing gulley at the Briarcliff end of the gardens; a system of signs to identify and direct attention to different areas of interest.

Clemson Extension Office Meeting will be at 7:00 p.m. Tuesday, May 26 at First Presbyterian Church. Rudy Menke is the naturalist of the ETV nature program. He will be the speaker and will present slides.

Bedding Plants are to be picked up at Settle's Greenhouses on Tuesday, May 12 and delivered to those members who see that they get planted in the 15 or so locations we supply. Be alert for a call to help with the planting.

Good Therapy, Horticulture Knowledge call Harold at 576-9482 to let him know what days you can assist with the tree bank plantings.

GARDENING & BEAUTIFICATION

June 10, 1992

Meeting : Monday, June 15, 1992 7:30 p.m.
Advent and Kennedy Streets
Subject : Composting: Preparation and Usage
Speaker : Bob Polumski,
of the Clemson Extension Office

This bears on lightening of loads on our landfills. Come out and learn what we can do to help. Bring a "goodie" for the door prize pool.

Our Springtime Landscape Judging exercise was carried out Saturday, May 30, 1992. Claire Hess and Cyndi Beacham of the Spartanburg Area Chamber of Commerce office made the contact with members and determined the fifty-three businesses and institutions that wished to participate. We thank the nineteen members who served as judges, and in particular Tom Bartram and John Fincher who did the follow-up visits and final rankings. The winners in the seven categories follow:

Public Service A Spartanburg Jetport
Wofford College, Honorable Mention
Public Service B Spartanburg Technical College
Industrial A Tietex Corp.
Industrial B Zima Corp.
Hersey Measurements Products, Honorable Mention
Commercial Bell Hill Associates
Robert H. Hicklin, Herald-Journal Park, Honorable Mentions
Professional McClure, Postma, Visk, P.A.
Phillip Morrow, D.M.D., Honorable Mention
Apartments Hunt Club Apartments

A big thank you goes to Bob Head of Clemson's Seneca Extension Office for his talk in May on Bonsai plants. He may have inspired a move to more and smaller plants.

A Hatcher Horticultural Garden Committee has been named to look into the variety of suggestions and opportunities that arise relating to its continuing development for community enjoyment. Your Board wants

to identify new projects needing funding. For your use in communicating thoughts and ideas this is the committee: Jess Taylor, Tom Bartram, Henry Pittman, John Fincher and John Nevison.

Henry Pittman is commended for the good appearance of the North Pine Street planting of Red Maples. It is time to give them some more attention: a little "round-up" spray for weeds, an occasional collar replacement, trim of sucker shoots. Be alert for an opportunity to help.

How's your vegetable garden? With the cool wet weather, some are having especially good results, particularly with healthy tomato plants and greens. Joe Maple has showed his results on Charlie Grey's TV show twice.

John Nevison is looking for some parsnip seed . . .

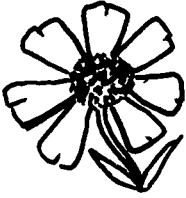

Coming Meetings —

In Memoriam

D. P. Goodwin

He will be missed for his exemplary vegetable garden visible from Zion Hill Road and Harrell Drives, and also for his help with Roy King and the Claude Sherrill Memorial showpiece flower bed at Hillcrest Blvd. and E. Main Streets.

GARDENING & BEAUTIFICATION

July 15, 1992

Meeting : Monday, July 20, 1992 7:30 p.m.
Advent and Kennedy Streets
Speaker : Shirley C. Carter
Topic : Home Landscaping

Mrs. Shirley Carter is a graduate of the University of Georgia with a degree in Landscape Architecture. She has done graduate work at the University of Reading, England. Her first job was with Sea Island Company of the "Golden Isles of Georgia". She came to South Carolina to work for George Cobb, golf course architect, Greenville. In 1968 she opened her own practice doing commercial and residential architecture. She and her husband have one son working for his Doctorate at Los Alamos.

Garden Club Income, Status with IRS

Tom Bartram has explored this often recurring question with this result. For a philanthropic organization whose income is directed solely to community projects, it is important to limit the funds in hand to operating needs, say less than \$3,000.00. Funds accumulated in excess of these needs can be assigned to the different projects undertaken by the club.

Project Committee of Four

Tom Bartram, Chr., Jess Taylor, Treas., Gil Hooper and Jack Turner. This committee is to consider all proposed projects and screen them for evaluation and possible recommendation to the membership for approval. For instance, these possible projects are under consideration:

1. Saving rare plants from construction sites, ex. BMW plant site.
2. SPACE trail projects (ex. Cottonwood Trail)
3. Glenn Park (county owned), marking trails.
4. Tree plantings, ex. East Main (pin oaks and crepe myrtles), North Pine Street (red maple planting).
5. Tree trimming and maintenance: Henry Pittman's program.

In our June 10 bulletin, John Nevison stated he was looking for some parsnip seed. The following week he received a packet from Dan and Minnie Mortimer now living in Ocala, Florida. Thank you Dan & Minnie!

Hatcher Gardens: In accord with Harold Hatcher and the Spartanburg County Foundation, arrangements have been made for paving the parking lot and a limited size trail to the observation deck at Hatcher Gardens. Jess Taylor reports that this work is to be done July 13.

Rose Show, Saturday, Sept. 19 at Westgate Mall

Bob Reynolds is again chairing the committee for this annual event. The business community solicitation for the prize pool funds will be made by Tom Bartram, Bob Almond, Walter Soderberg and John Nevison, Chr.

A Tree Trimming and Maintenance Program has been outlined and proposed by Henry Pittman. We thank him for this plan and also thank the several members enlisted to carry it out. The short sections of PVC drainage pipe have been fabricated by Jess Taylor and placed on the trees to protect against weedeater de-barking.

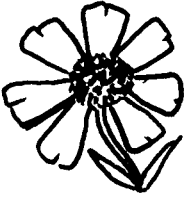

Calendar:

Saturday, July 25 — Visiting Day, Museum of South Carolina,
Columbia: 10 a.m. to 5 p.m.

Monday, August 17 — Annual Picnic at Hatcher Gardens.

More details available at July 20 meeting.

Saturday, September 19 — Annual Rose Show, Westgate Mall.

GARDENING & BEAUTIFICATION

November 12, 1992

Meeting : Monday, November 16, 1992 7:30 p.m.
Advent and Kennedy Streets

Annual Holiday Meeting, Installation of 1993 Officers

Speaker : Dr. Kirk Neely

Family Ministries, First Baptist Church

Refreshments by club ladies. Items for the door prize pool will be welcome.

1993 OFFICERS

President John Fincher

Vice President Bob Almond

Secretary Shirley Marshall

Treasurer Winston Hardegree

Directors: Terms ends '93: Jess Taylor, Dave Kennemur, John Nevison, Bill Otts, Bob Powell, Bob Reynolds.

Term ends '94: Ben DuLuca, Harold Browning, Julian Foster, George Wegryzn, Robert Odom, Ed Overcash.

Past President Tom Bartram

Directors Emeritus Harold Hatcher

Gil Hooper

Directors, Blue Ridge Region Tom Bartram,

Bob Powell, John Nevison, Marlin Griffin

We thank the able group of Directors whose terms expired this year: Marlin Griffin, Dick Look, Joe Maple, Henry Pittman, and Jack Turner.

Adopt-A-Highway — Darwin Helvy organized a small but efficient crew to pick up litter on our assigned section of Pine Street November 7. Most of you are aware that our club does this on a regular basis as a part of the state-wide program.

Flower beds — Most of our flower beds around town have been replanted with mixed varieties of pansies. John Nevison was again responsible for picking up the plants and distributing them.

Tree sales — Orders are being received Saturday before noon at 820 Reidville Rd. They are coming in well. Thanks to Harold Hatcher's continuing efforts, it looks like we'll have another successful year. See last month's bulletin for varieties and prices.

Frank Powell, one of our most active charter members, is in Room 223, Mary Black Hospital. He enjoys visitors.

Street Plantings — Henry Pittman has organized a review and replacement program for our plantings on Main Street and on Pine Street. While most trees are doing well, we still lose some to accidents and to thoughtless removal.

Skylyn Place Display — Marlin Griffin is feted in a display of his graphics and photographs. It's open to the public each afternoon through November. Drawings and photos of his travels in Egypt, Ireland and the Greek Islands are on display.

Hatcher Gardens Trail, improved by our efforts, has served to provide wheelchair access to the scenic deck. Also at the Gardens, we're involved with the Womens Garden Council in arranging new signs.

Annual Dues — twenty dollars, are now receivable. It greatly simplifies our treasurer's job if our members can all pay promptly.

Knoxville Regional Meeting, October 23 & 24, was greatly enjoyed by the 13 local members who attended.

We welcome news that Ben Hines is now our new part-time city arborist. He already has some involvement with our tree bank.

Remember — no bulletin or meeting in December. *Happy Holidays!*
